Dealership Self-Hosted Infinity Software Solution

Terminal Server:

- Microsoft Windows Server 2012, 2012 R2, or Server 2016
- Microsoft SQL 2016 (Express or Standard, depending on database size)
- Dual Xeon E5520 or greater CPUs (2 physical CPUs or 1 physical 4+ Core with virtualized OS)
- 32GB+ RAM preferred, minimum 16GB
- SAS hard drive (15K RPM preferred, 10K minimum, RAID 10 preferred, RAID 1 minimum or virtualized on separate RAID arrays, or multiple SSDs in RAID 1)
- External hard drive for backups
- Be sure to send your final hardware quote(s) to our techs and we will sign off on the specifications before you complete your purchase.

Workstations / Laptops:

- Windows 10 Pro, Windows 10 Enterprise

Please note: Mac Computers, Microsoft Windows Home, Media Center & other home editions are **NOT SUPPORTED. Also, Windows 8.1 is **NOT SUPPORTED** for Okidata printers. Small Business Server can be your domain controller but the App (Terminal) Server cannot be a Small Business Server. Also, 32 bit operating systems are **NOT SUPPORTED**.*

Printers:

- HP LaserJet 4-compatible network-ready business-class printer
- Finance Forms: Okidata ML 321 Turbo (network interface preferred)

Please note: Inkjet printers and Wireless printers are **NOT SUPPORTED*

Other Peripherals:

- Star Micronics TSP600/TSP700II/TSP828L series receipt printer (*additional setup fees may apply*)
- M-S Cash Drawer Model EP-125NKUSB (*additional setup fees may apply*)
- Verifone Point (VX 805 and MX 925) – EMV capable magnetic card readers (*additional setup fees may apply*)
- WorldPay (Ingenico ISC250 or IPP350) – EMV capable credit card readers (*additional setup fees may apply*)
- Metrologic MS9520 Voyager USB barcode scanner)

Additional Considerations:

- An onsite computer technician is required for the initial server setup
- Microsoft Office 2003 Professional or earlier recommended. Later versions are allowed but **Access 2007+ IS NOT SUPPORTED**
- Various Microsoft licenses (CALs) will be required depending on the system's role (Terminal Server, SQL, etc)

Web Mobile Barcode Scanner Devices:

- IOS device capable of running IOS 11 or Samsung J3 or greater phone
- Samsung Galaxy Tab A 2017 model 9"

Note: Samsung Galaxy Tab A 2016 7" model is **NOT SUPPORTED. (The key is the camera needs to be auto focusing.)*
